## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Conservancy of Southwest Florida, Inc.  
Naples, Florida

We have audited the accompanying consolidated financial statements of Conservancy of Southwest Florida, Inc. and Subsidiary (the Organization) a nonprofit corporation, which comprise the consolidated statements of financial position as of September 30, 2016 and 2015, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors  
Conservancy of Southwest Florida, Inc.

***Opinion***

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Conservancy of Southwest Florida, Inc. and Subsidiary at September 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
SEPTEMBER 30, 2016 AND 2015**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

The Conservancy of Southwest Florida, Inc. (Conservancy) was established in 1966 as a nonprofit corporation in the state of Florida. The Conservancy is a 501(c)(3) nonprofit environmental protection organization with a more than 50-year history focused on the issues impacting the water, land, wildlife, and future of Collier, Lee, Charlotte, Hendry, and Glades counties. The Conservancy accomplishes this mission through the combined efforts of experts in environmental science, policy and advocacy, education and wildlife rehabilitation. The Conservancy is supported primarily through donor contributions, grants and fundraising activities, thrift and consignment store sales, and programs.

TCI-Peaceful Horse, LLC was established in 2013 as a limited liability company in the state of Florida. The Conservancy is the sole member of the limited liability company. Its mission is to preserve Southwest Florida's natural environment using scientific research, policy initiatives and education. TCI-Peaceful Horse, LLC is supported primarily through donor contributions, grants and fundraising activities. This entity was dissolved effective March 9, 2016.

**Principles of Consolidation**

The accompanying consolidated financial statements include the accounts of Conservancy of Southwest Florida, Inc. and TCI-Peaceful Horse, LLC (together, the "Organization"), after elimination of intercompany accounts and transactions.

**Basis of Accounting**

The accounts of the Organization are maintained, and the accompanying consolidated financial statements have been prepared, on the accrual basis of accounting. Accordingly, assets are recorded when the Organization obtains the rights of ownership or is entitled to claims for receipt and liabilities are recorded when the obligation is incurred.

**Financial Statements Presentation**

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Unrestricted net assets are defined as assets that are free of donor-imposed restrictions, and include all investment income and appreciation not subject to donor-imposed restrictions, as discussed below. Temporarily restricted net assets are net assets whose use has been limited by donor imposed time or purpose restrictions. Permanently restricted net assets are defined as net assets required by the donor restrictions or law to be maintained by the Organization in perpetuity.

**Liquidity**

Assets are presented in the accompanying consolidated statements of financial position according to their nearness of conversion to cash and liabilities according to the nearness of their maturity and resulting use of cash.

**CONSERVANCY OF SOUTHWEST FLORIDA, INC. AND SUBSIDIARY  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
SEPTEMBER 30, 2016 AND 2015**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Cash and Cash Equivalents**

For purposes of these consolidated financial statements, the Organization considers all unrestricted bank accounts, money market funds, and short-term investments with a maturity of three months or less to be cash equivalents. The Organization maintains bank accounts with balances, which, at times may exceed federally insured limits.

**Assets Held Under Split-Interest Agreement**

The Organization is the beneficiary of a charitable remainder trust being held by a financial institution. Under the trust agreement, specified amounts or percentages of funds invested are payable to the donor or the donor's designee, for life. Upon the death of the lifetime beneficiary, 16% of the balance of the investment is to be paid to the Organization. The Organization has recorded as assets the present value of its estimated beneficial interest in this gift. The gift is valued using a discount rate of 3% over the estimated life expectancy of the annuitant.

**Investments**

Investments in securities, mutual funds, real estate investment trusts, corporate bonds and government bonds are carried at fair value determined by quoted prices on the last business day of the year. Investments in alternative investment funds that are not readily tradable are carried at an estimated fair value at the end of the period, as determined by management based upon financial statements and other financial information reported by the administrator of the underlying investment funds.

Donated investments are recorded at their mean value at the date of receipt. Investment income may be either unrestricted or temporarily restricted resources when earned, determined according to donor-imposed restrictions. The Organization follows a total return concept with regard to investments, as such unrealized appreciation on temporarily restricted net assets is considered to be unrestricted.

**Fair Value Measurement**

The Organization categorizes its assets and liabilities measured at fair value into a three-level hierarchy based on the priority of the inputs to the valuation technique used to determine fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used in the determination of the fair value measurement fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement. Assets and liabilities valued at fair value are categorized based on the inputs to the valuation techniques as follows:

*Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access.*

**CONSERVANCY OF SOUTHWEST FLORIDA, INC. AND SUBSIDIARY  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
SEPTEMBER 30, 2016 AND 2015**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Fair Value Measurement (Continued)**

*Level 2* – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

*Level 3* – Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

Subsequent to initial recognition, the Organization may re-measure the carrying value of assets and liabilities measured on a nonrecurring basis to fair value. Adjustments to fair value usually result when certain assets are impaired. Such assets are written down from their carrying amounts to their fair value.

**Property and Equipment, Net**

Property and equipment are capitalized at cost, if purchased or at fair value at the time of contribution on items valued at more than \$1,000 with a life greater than one year. Depreciation is computed utilizing the straight-line method over the estimated useful lives of the respective assets ranging from three to 40 years.

Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred.

**Land Held for Conservation**

Land held for conservation is recorded at cost when purchased or at fair market value at the date of acquisition, if donated. Management reviews each parcel periodically to determine if there has been impairment to the value that is recorded in the consolidated statements of financial position.

**Inventory**

Inventories on the consolidated statements of financial position are stated at the lower of cost or market determined by the first-in, first-out method. Inventory recorded on the Organization's consolidated financial statements are purchased and are for sale in the nature store.

Additionally, the Organization receives goods that they sell in their resale shop. These goods are recorded as inventory when received and are carried at their resale value. Also, the Organization periodically receives donations of non-monetary goods which are used in the Organization's programs. Donated goods which are used in the Organization's programs are recorded at estimated fair value at the date of the donation, and are included in contributions. The Organization received no donated goods for use in their programs for the years ended September 30, 2016 and 2015.

SEPTEMBER 30, 2016 AND 2015**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Deferred Revenue**

Revenue received from membership dues is recognized when received, as the services to be provided to the membership are not material. Revenue from programs is recognized in the year to which it relates. Program revenues received in advance are recorded as deferred revenue.

**Functional Allocation of Expenses**

The costs of providing various support to the Organization's operations, as well as other management and general activities have been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**Contributions**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Contributions that are required to be reported as temporarily restricted support are then reclassified to unrestricted net assets upon expiration of the time or use restriction. However, restricted contributions whose restrictions are met in the same reporting period are shown as unrestricted support.

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. All donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending upon the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

**Unconditional Promises to Give**

The Organization is holding a fundraising campaign to assist them in continuing their mission, renovation of their facilities, and to build their endowment. Unconditional promises to give due in the next year are recorded at their net realizable value. Unconditional promises to give due in subsequent years are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received. Additionally, the Organization uses the allowance method to determine uncollectible unconditional promises to give. The allowance is based on prior years' experience and management's analysis of specific promises made.

**Donated Services**

Contributed services are reported as contributions, at their fair value, if such services create or enhance non-financial assets, require specialized skills, are provided by individuals possessing such specialized skills or the services would have been purchased, if not donated. Many individuals volunteer their time, approximately 71,500 hours in 2016 and 68,700 hours in 2015, and perform a variety of tasks that assist the Organization in educational services, store operations, committee assignments, and fund-raising. No amounts have been reflected in the consolidated statements of activities and changes in net assets because the criteria for recognition have not been satisfied.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Income Taxes**

The Internal Revenue Service (IRS) has determined the Organization to be exempt from income taxes under the provisions of Internal Revenue Code (IRC) Section 501(c)(3). In addition, the Organization has been determined by the IRS to be other than a private foundation within the meaning of Section 509(a) of the IRC. The IRC provides for taxation of unrelated business income under certain circumstances. The consignment shops that the Organization operates are subject to such unrelated business income taxes. The Organization has not been examined by the IRS.

**Subsequent Events**

In preparing these consolidated financial statements, the Organization, has evaluated events and transactions for potential recognition or disclosure through February 8, 2017, the date the consolidated financial statements were available to be issued.

**Reclassifications**

Certain amounts in the prior year financial statements were reclassified to conform with the presentation in the current year. These reclassifications resulted in no change to prior year reported changes in net assets, or net assets, end of year.

**NOTE 2 UNCONDITIONAL PROMISES TO GIVE, NET**

**NOTE 9 ENDOWMENT**

The Organization has a donor-restricted endowment fund established for the purposes of providing income to support general operations. There is no board-designated endowment. As required by accounting principles generally accepted in the United States of America, net assets of the endowment fund are classified and reported based on the existence or absence of donor-imposed restrictions. The board of directors' (board) goals are to preserve the fair value of the original gift by having an investment objective to match or outperform, net of fees, certain benchmarks composed of asset class indices agreed to by the finance committee and our investment advisor, and thereby provide adequate liquidity to meet operating and capital needs as they may arise. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as unrestricted net assets.

**Funds with Deficiencies**

From time-to-time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Organization to retain as a fund of perpetual duration. There were no such deficiencies during the years ended September 30, 2016 and 2015.

**CONSERVANCY OF SOUTHWEST FLORIDA, INC. AND SUBSIDIARY  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
SEPTEMBER 30, 2016 AND 2015**

**NOTE 9 ENDOWMENT (CONTINUED)**

**Investment Policies**

The Organization has established an investment policy to determine investment or reinvestment of the assets in accordance with such guidelines, policies and procedures that are authorized by the board. These guidelines, policies and procedures shall attempt to generate a long-term investment return that will contribute to meeting the spending needs of the Organization while maintaining the purchasing power of the investment assets. The Organization's spending and investment policies work together to achieve this objective. The investment policy establishes a long-term investment objective through diversification of asset classes. To achieve its investment objectives over long periods of time, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The investment strategy targets a diversified asset allocation that includes domestic equities, non-US equities, fixed income and alternative investments.

The majority of assets are invested in debt and equity or debt and equity like securities. Diversification by asset class, investment style, investment manager, etc. is employed to avoid undue risk concentration and enhance total return. The primary performance objective is to match or outperform, net of fees, certain benchmarks composed of asset class indices agreed to by the finance committee and the Investment Advisor, and thereby provide adequate liquidity to meet operating and capital needs, as they arise. Actual returns in any given year may vary from this amount.

**Spending Policy**

The board approved appropriations of up to 5% during 2016 and 2015 of the endowment fund balance as of the end of the prior year. The percentage is determined based on the overall needs of the Organization balanced with the long-term investment return objectives for a fund to be held in perpetuity.

**NOTE 12 RETIREMENT PLAN**

The Organization has a defined contribution retirement plan, (the Plan), covering substantially all employees meeting certain eligibility requirements. The Plan provides that participants may contribute amounts up to the maximum allowable by law. For eligible participants, the Organization will contribute an amount equal to 50% of the participants' salary deferral up to 6% of compensation. During the years ended September 30, 2016 and 2015, the Organization recorded expenses of \$56,650 and \$50,940, respectively.

**NOTE 13 COMMITMENTS**

The Organization leases certain land included in the Rookery Bay National Estuarine Reserve from an agency of the state of Florida. The annual rent payment is \$1 and the lease expires in January 2079. Under the lease terms, the Organization is required to preserve this land in a state compatible with the objectives of the Reserve for the period of the lease. The Organization and another nonprofit organization share in the management of the land.

The Organization leases property that is adjacent to the Organization's Nature Center. The lease automatically renews each year unless the lessor advises the Organization in writing 90 days prior to expiration. The annual rent for the property is \$1 plus the annual real estate taxes on the unimproved portion of the property.

**NOTE 15 TCI-PEACEFUL HORSE, LLC**

On October 17, 2014, a transaction was completed between Mosaic Fertilizer, LLC and Friends of Florida State Forests, Inc. TCI-Peaceful Horse, LLC acted as a broker for the transaction by setting up an escrow account for the transaction to occur through. The Peaceful Horse Ranch property, located in Desoto County, in addition to \$2,000,000 was to be transferred from Mosaic Fertilizer, LLC to Friends of Florida State Forests, Inc. The property was transferred directly to Friends of Florida State Forests, Inc. The cash was transferred into the escrow account, and subsequently transferred to Friends of Florida State Forests, Inc. Separately from this transaction, the Conservancy received \$501,069 that is restricted to be used for conservation purposes and is required to be maintained in a separate bank account (see Note 7). The remaining balance in this account at September 30, 2016 and 2015 was \$482,975 and \$501,069, respectively.
