Laconia Savings Bank Supports Prescott Farm's WildQuest Camps

Laconia, New Hampshire – June 29, 2011 – Laconia Savings Bank is proud to support the Prescott Farm Environmental Education Center (PFEEC) of Laconia, with a \$770 donation towards WildQuest camp scholarships. WildQuest Camps enhance ecological awareness, provide fun learning opportunities, build a sense of community and foster a non-competitive atmosphere. Camp includes nature activities, animal and plant identification, arts and crafts, quests, and hands-on learning. Laconia Savings Bank believes that providing children with these opportunities not only creates a better future for our youth but also for our communities.

PFEEC offers environmental education for all ages throughout the year including WildQuest camps, public programs, field trips, and long-term partnerships with local elementary schools. The farm is designated as an official New Hampshire Wildlife Viewing Area and offers hiking on more than three miles of woodland, pond and field trails. Visitors can also explore the three-story historic barn, beautiful heritage flower and vegetable gardens, and an old-fashioned maple sugar operation.
